D. Janice Wood, born Aug. 2, 1926, passed on to the Lord at her home in Hendersonville, Tennessee on June 8, 2012 after a brief battle with lung cancer.

A loving wife, mother and grandmother, she is survived by a husband, two children and three grandchildren, as well as two sisters from an original family of five siblings.

Born in Hoopeston and married for 64 years to Ronald Wood, a classmate since the fourth grade, Jan worked as a Registered Nurse and was active throughout her life with the Methodist Church. An avid reader and lover of Broadway musicals, Jan enjoyed keeping up with cultural arts and working crossword puzzles.

Her compassionate nature, class and wonderful sense of humor touched many lives during her nearly 86 years here, and her love and laughter will be truly missed.
