Alta was the daughter of Porter Pinnick and Mary Belle Harmon. She was born on Sept. 15, 1918 in French Lick, Indiana.

Alta's first husband was Gerald Wells, whom she married on September 25, 1935. They had at least one daughter, Pat. Gerald died in 1967.

Alta married Christian (Chris) Henry Obenland on Nov. 7, 1970, according to the Pape Database. Any children born to the couple are unknown at this time.

Alta passed away on January 9, 1991. Alta was buried on Jan. 12, 1991 next to her first husband, Gerald. Her stone has her last name as Wells, so that's why her name is listed in Find A Grave as such.

Anyone having information or pictures of Alta and her second husband Chris Obenland, please email me! Thanks.
